REMARKS

Applicants request this Certificate of Correction to correct the claims of the patent. In response to the Restriction Requirement mailed February 27, 2006 in the above-referenced application, Applicants amended claim 16 (issued claim 1) to delete X as CHC (R¹³ Y'Y) without prejudice, but inadvertently neglected to delete the definition of R¹³. Applicants request this correction herein. Applicants believe this error is of a clerical or typographical nature, or is of minor character, and that the proposed correction does not involve such changes in the patent as would constitute new matter or would require reexamination under 35 USC 255.

With this submission, the fee of \$100.00, as required under 37 CFR 1.20 (a) is submitted. Applicants believe no additional fees are due in connection with this filing. However, the Commissioner is hereby authorized to charge any additional fees that may be due, or credit any overpayment of same, to Deposit Account No. 50-0311, Reference No. 16534-533C01US.

Should the Certificates Branch wish to discuss Applicant's request, the Certificates Branch is invited to telephone the undersigned attorneys at 617/542-6000. The undersigned is authorized to act on behalf of the Applicant under 37 C.F.R. §1.34.
